This highly informative seminar will be conducted in a premier training facility in Chennai, India. All Participants will receive extensive materials in training binders and excel templates to take away in a CD that can be used in your work. This seminar would be ideal for your planning function based off-shore. Feel free to forward this information to your India-based colleagues! [Learn More!](#)

BOSTON APICS PRESENTS: 3rd Annual Holiday Networking Party!

This event will have something for everyone! We are inviting commercial supporters who will be available to discuss their products in a friendly, informal atmosphere. This year we are pleased to announce that we will have a Grand Sponsor, Oracle Corporation, along with other organizations such as Demand Planning.net, Oliver Wight and Demand Solutions. Later in the evening, we will have a number of round table discussions facilitated by subject matter experts. We will have topics dealing with the challenges that we are all facing in today's economic climate--topics that will inspire thought and promote discussion. You will have an opportunity to see what's new, learn from the experts, learn from each other, network and HAVE FUN!
